MARYAM MOHRY

Born:
1979 in Tehran, Iran

Lives:
Tehran, Iran

Maryam Mohry employs watercolor and collage to create thought-provoking, amusing, and enchanting works on paper. Her work stands out for its narrative quality, fueled by a lighthearted naive sensibility, and a sense of sarcasm. Be it a large-scale drawing with multiple characters or small works with a single figure, she beautifully merges the realms of storytelling, love of nature, and environmental advocacy. Mohry maintains her signature playfulness and wit while addressing environmental concerns in her drawings and collages.
