Born:

1968 in Macau, China

Lives:

Helsinki and Shanghai

Education:

- Guangzhou Fine Arts Academy, Guangzhou, China
- Hong Kong Open University, Art & Design, Hong Kong, China
- Tam Che Seng Art Studio, Macau, China

Chinese-Finnish artist Canal Cheong Jagerroos integrates time-honored techniques from traditional Chinese art, symbols, and language into her mixed-media abstract paintings and immersive installation exhibitions. A process of deconstruction and reconstruction forms the basis of her multi-layered works, beginning with large rice paper ink drawings that she tears into pieces. These fragments are reformed into new compositions with paint and diverse materials, creating a distinctive visual language.

The synthesis between Cheong Jagerroos' different techniques and visual elements influenced by both East and West reflects her experience moving between these worlds. Over the past 30 years, she has lived and worked in numerous countries in Asia, Europe, and Africa. Her practice is consciously and subconsciously influenced by her experiences in these culturally diverse places.
